

**THIS IS AN UPDATE TO OUR 2001 CATALOGUE, which is NOW AVAILABLE, price £1.50 (post free)**

**PLEASE REFER TO THE NEW CATALOGUE (YELLOW COVER) WHEN ORDERING, TO ENSURE YOU ARE USING THE CORRECT CURRENT PRICES!**

## 2001 SHOW CALENDAR:

We will be attending the following shows over the remainder of this year:

- 17-19th August: BRITCON, Loughborough University.
- 15-16th September: COLOURS, Hexagon, Reading.
- 23rd September: WARGAMER, Aston, Birmingham.
- 14th October: SELWG, Crystal Palace, London.
- 21st October: SALVO, Leisure World, Colchester.
- 4th November: FIASCO II, Royal Armouries, Leeds.
- 17-18th November: WARFARE, Rivermead, Reading.
- 25th November: BIFROST (SFSFW), Birmingham - JUST CONFIRMED!
- 1st December: DRAGONMEET, Kensington Town Hall, London.

Please put these in your diary, and we hope to see you at some of them! For further information about any of the shows give us a call, or else watch the show adverts in *Miniature Wargames*.

**If pre-ordering for show collection, please give us two weeks notice before the event!**

## BEM-SS1

## MARTIANS! MARTIANS EVERYWHERE!

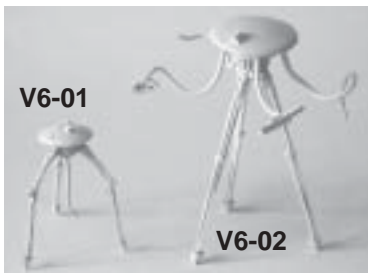

**LEFT: BEM-SS1 Martian Scout Saucer**, listed but not illustrated in our new catalogue, **NOW AVAILABLE at £10.00**. Shown here with some of our BEM (Bug-Eyed Martians) range for scale. Kit consists of 2 resin saucer halves plus 3 metal landing legs.

## AND FOR 6mm.....

The long-awaited and much requested re-issue of the ex-CMD Tripods!! Ideal for War of the Worlds-type games plus many other SF uses. Nominally 6mm (1/300) scale, but also suitable for 15mm or even 25mm (as unmanned remotes).

**V6-01 Tripod War Machine (small) - approx. 50mm tall £2.50**

**V6-02 Tripod War Machine (large) - approx. 90mm tall £5.00**

## VICTORIAN SF:

### VSF-01: The Truscott-Blenkinsop Mark III Steam Cavalry Charger £6.00

A delightful little steam tank, designed for a 2-man crew and armed with a 3-pdr quickfiring (illustrated) or optional anti-personnel gatling gun (both guns supplied in kit). Kit consists of 3 resin parts (hull and two treads), two metal gun barrels and metal hatch cover. Model size approx. 60mm long x 45mm wide x 60mm high.

## MORE NEW 6mm.....

**JUST OUT: a new item in the DF code 1/300 line:**

**DF-T61 Heavy Hover Tank** (variant of Deimos hull with GEV skirt added, and Jupiter turret) **£2.50 per pack of 2, AVAILABLE NOW.**

## NEW NAC MARINES IN 25mm:

After many requests, we've at last begun to add some **NEW** figures to our earlier ranges, to expand the selection available; although by different sculptors to the original miniatures, these figures have been kept as close as possible to the original style so that they fit seamlessly into the ranges.

**OUT NOW - for the NEW ANGLIAN MARINES: £1 each.**

- SGA-33A** Female Marine standing, in helmet with closed visor, firing rifle from shoulder
- SGA-33B** Female Marine standing, in helmet with raised visor, firing rifle from shoulder
